 China	Ministry of Education (MoE)	CDGDC; check India IQAS/WES equivalence
 Japan	MEXT	MEXT-recognised universities
 UAE	CAA + KHDA (Dubai)	Branch campuses also hold home-country accreditation

WHY THIS MATTERS

Referring only accredited institutions protects the student's visa, degree recognition and your reputation as a partner. When in doubt, verify against the body listed before submitting a lead.

Every partner university is **nationally accredited** and recognised.

Accreditation frameworks are updated periodically. Verify current status on the relevant authority's official website before advising.
